

Do you want to...
... **boost your career**

challenge**future**

global student competition

... win

20.000€?

... explore
your talents

... learn from
great minds

... be visible to
great companies

... **innovate**

Hey!

Can you afford the future created by others, and not by you?

ARE YOU:

- ▶ A student of a university or a business school?
- ▶ Representing a daring generation of 18-30 year olds?
- ▶ Eager to work with a team of diverse minds?
- ▶ Concerned with our world's current challenges?
- ▶ Bursting with ideas for a better future?

Then join **Challenge:Future!**

Challenge:Future is a global student team competition that allows you to connect, collaborate and innovate – all the while having fun, challenging the norms, promoting yourself, not to mention the 100,000€ award fund.
