ID – in line with the adopted accredited programme Long–Cycle Master’s Study Programme in Architecture, UL FA offers

\* Independent Work to the extent provided in the tables.

In the first year students are assigned mentors by the Academic Affairs Committee. From year 2 onward, the student is free to choose his/her mentor. The list of mentors is approved by the Academic Affairs Committee. Lecturers of Design Studio 1–5, Architectural Workshop 1–3 and diploma supervisors are all architects that also teach one of the other subjects and can provide adequate

\*\* professional references.

\*\*\* Study Practice: 1: at a construction site; 2: in an architectural (design) office.

In years 3, 4, and 5, the student selects a subject each from group “A”, in years 4 and 5 the student selects a subject each from group “B”. A minimum of 5 students signed up is required to run a course.
