IZLOŽBA SLIKA I CRTEŽA

3-17.7.2026 Centar za kulturu Korčula ugostit će najnoviju samostalnu izložbu Davisi Boontharm - zbirku slika i crteža duboko ukorijenjenih u njezinu ljubav i istraživanja ove zapanjujuće obale i njezinih otoka. Kroz različite formate slika i intimne, krhke *orihon* crtaće blokove, umjetnica isprepliće prošlost i sadašnjost, dopuštajući akvarel skicama i *palimpsest* teksturama da slave bogatstvo povijesti i ljepotu koja nas okružuje.

PRELIMINARY ANNOUNCEMENT

EXHIBITION OF PAINTINGS AND SKETCHES

3-17.7.2026 the Korčula Cultural Center will host Davisi Boontharm's latest solo exhibition - a collection of paintings and drawings deeply rooted in her love for and explorations of this stunning coastline and its islands. In various formats of paintings and intimate *orihon* sketchbooks, the artist weaves the past and present together, letting her watercolor sketches and palimpsest textures celebrate the richness of history and the breathtaking beauty surrounding us.
